

# Open Coworking

leave the distractions at home

## Work Distraction Free

Many people start out working from home thinking they will enjoy it, only to find that there are too many distractions to be productive.

**As Realtors® who dealt with the same issue, we created Desktop to escape the distractions of a home office. We want you to have productive days everyday and feel confident about the work you are getting done.**

With three flexible coworking membership types to choose from, you will be able to eliminate distractions and boost productivity.
